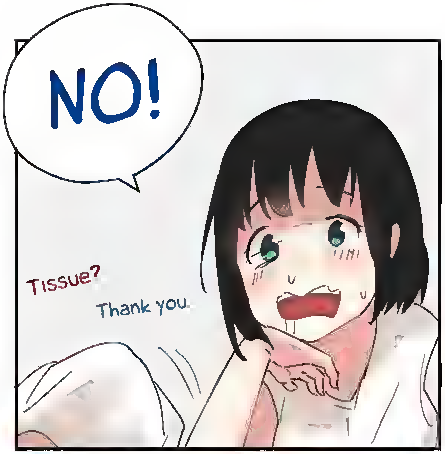
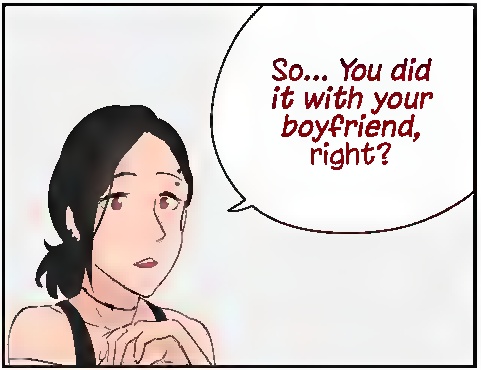
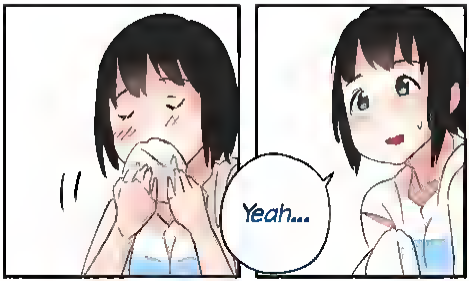
Chapter 12 More Than Meets the Eye



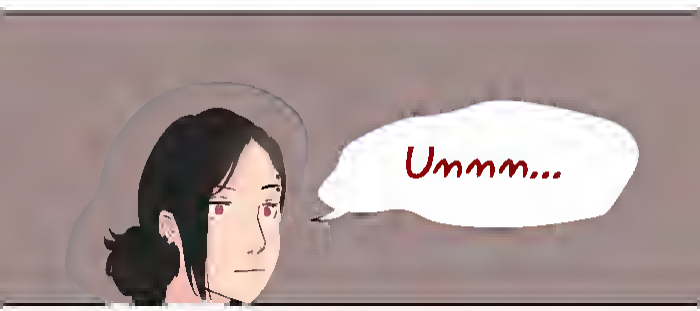
NO!
Tissue?
Thank you.



So... You did it with your boyfriend, right?

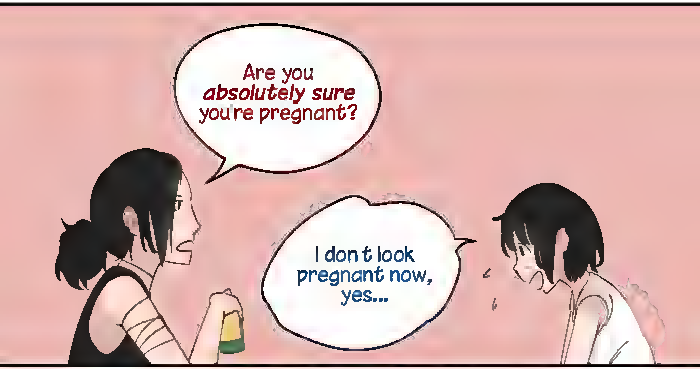


Yeah...

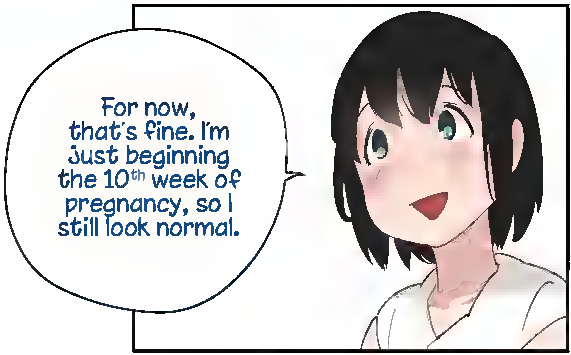


Unnn...

*Pregnancy for Dummies

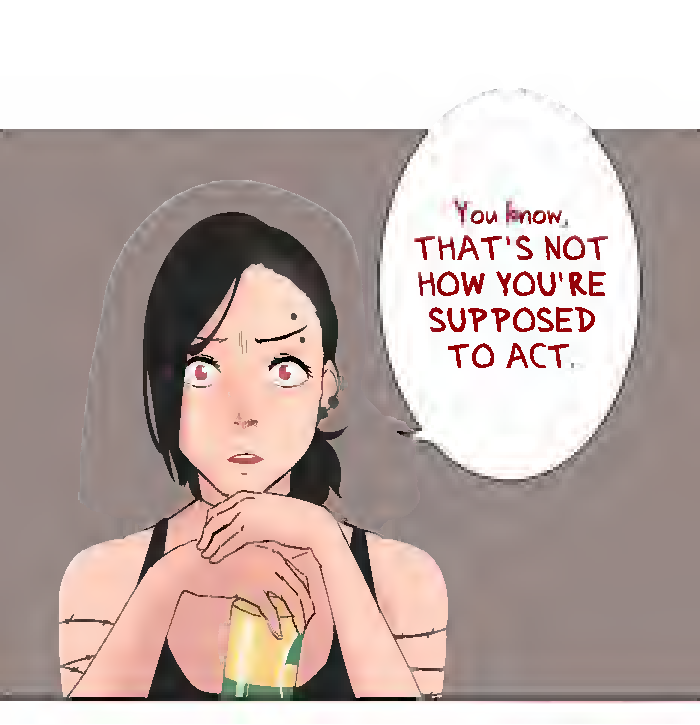


Are you absolutely sure you're pregnant?
I don't look pregnant now, yes...

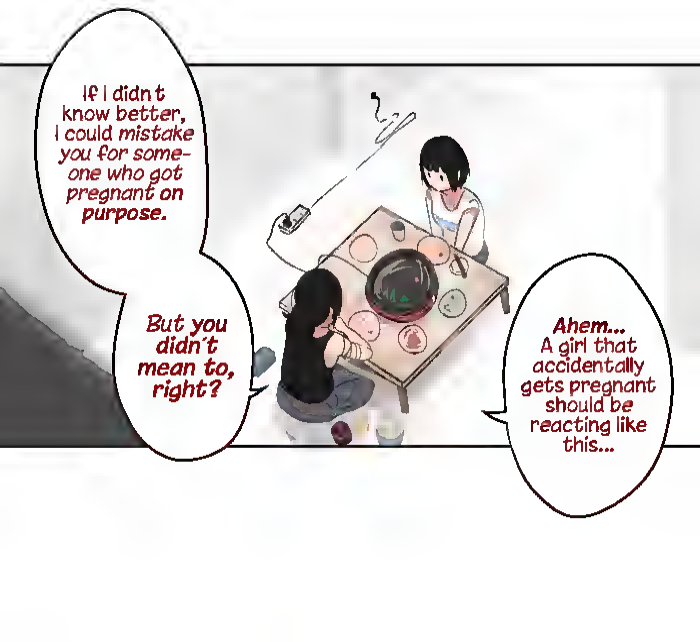


For now, that's fine. I'm just beginning the 10th week of pregnancy, so I still look normal.

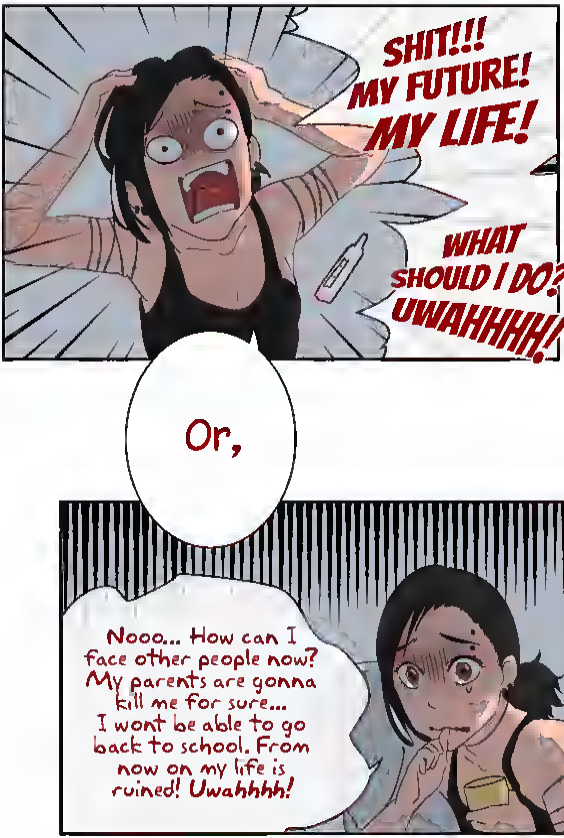
During the first 3 months, my stomach will still look ordinary, but the first signs will start to show up, like morning sickness, nausea, and increased hunger.
Once in the 4th month, I'll be able to notice the bump. According to a book I read, the baby will start moving around then, too.
I still haven't gone in for prenatal care yet. I should have gone when I found out, but... I can still go to the hospital near here.
MAMA



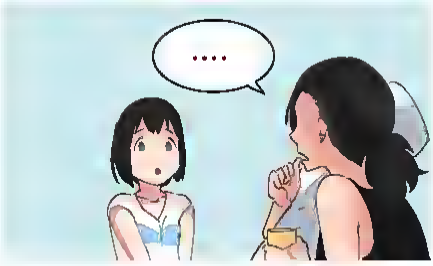
You know,
THAT'S NOT HOW YOU'RE SUPPOSED TO ACT.



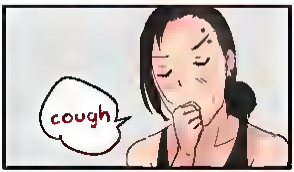
If I didn't know better, I could mistake you for someone who got pregnant on purpose.
But you didn't mean to, right?
Ahem... A girl that accidentally gets pregnant should be reacting like this...



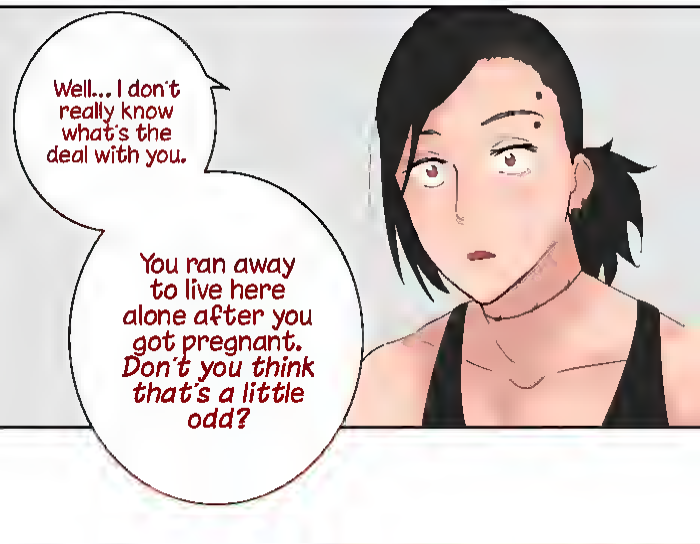
SHIT!!!
MY FUTURE!
MY LIFE!
WHAT SHOULD I DO?
UWAHHHH!
Or,
Nooo... How can I face other people now? My parents are gonna kill me for sure... I wont be able to go back to school. From now on my life is ruined! Uwahhhh!



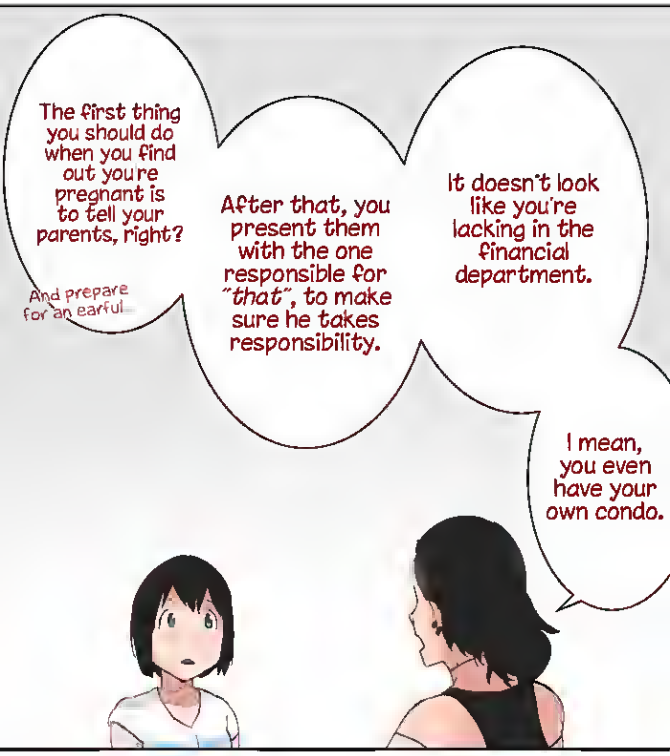
....



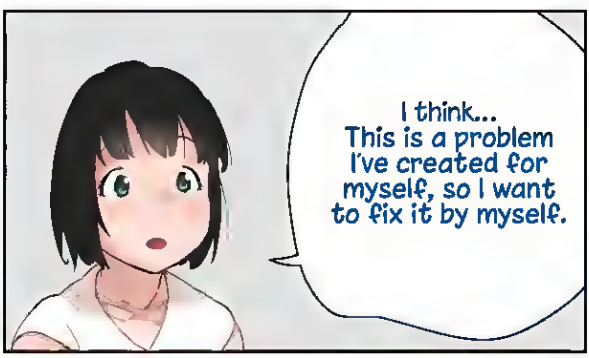
cough



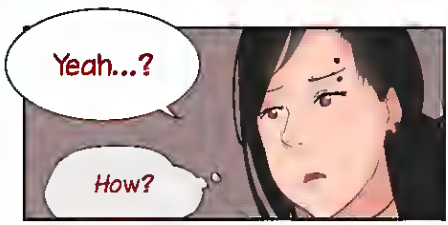
Well... I don't really know what's the deal with you.
You ran away to live here alone after you got pregnant. Don't you think that's a little odd?



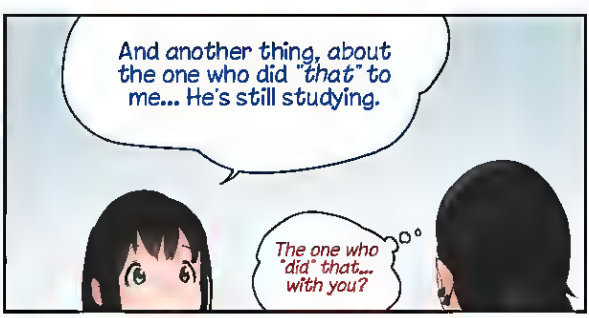
The first thing you should do when you find out you're pregnant is to tell your parents, right?
And prepare for an earful...
After that, you present them with the one responsible for "that", to make sure he takes responsibility.
It doesn't look like you're lacking in the financial department.
I mean, you even have your own condo.



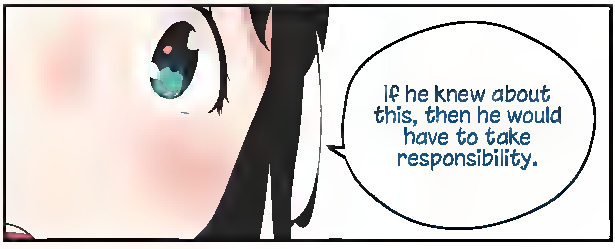
I think... This is a problem I've created for myself, so I want to fix it by myself.



Yeah...?
How?

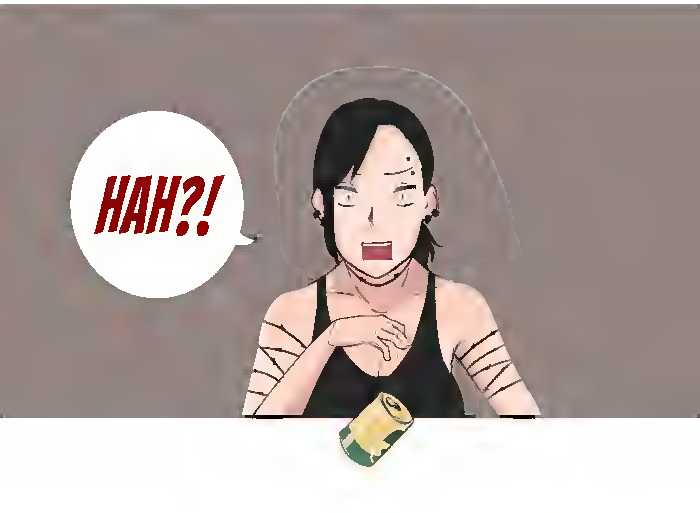


And another thing, about the one who did "that" to me... He's still studying.
The one who "did" that... with you?

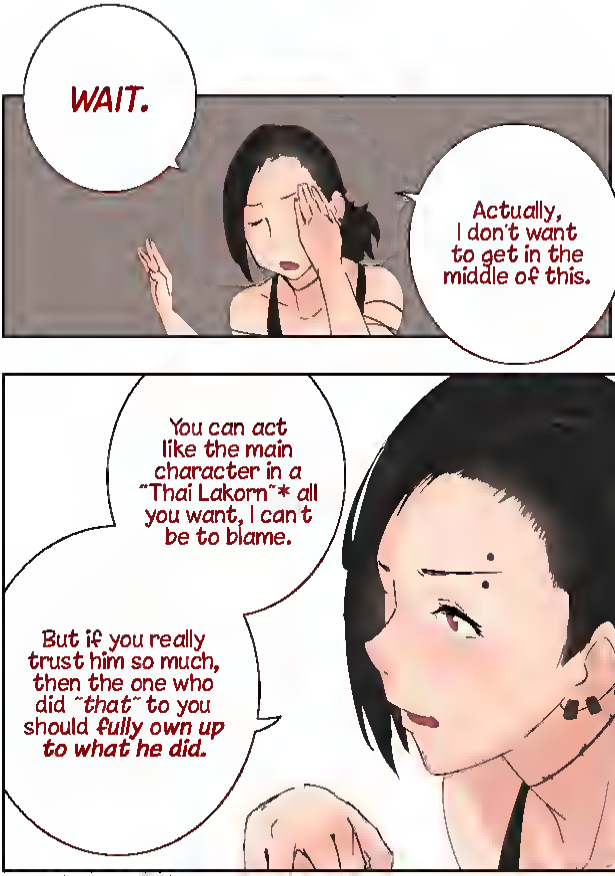


If he knew about this, then he would have to take responsibility.

If he couldn't finish school and achieve his dreams because of me...
I don't really want that happen.



HAH?!

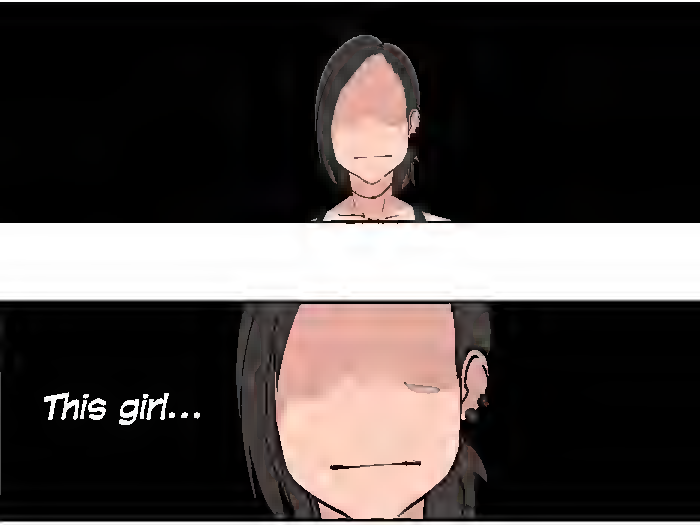


WAIT.
Actually, I don't want to get in the middle of this.
You can act like the main character in a "Thai Lakorn"* all you want, I can't be to blame.
But if you really trust him so much, then the one who did "that" to you should fully own up to what he did.

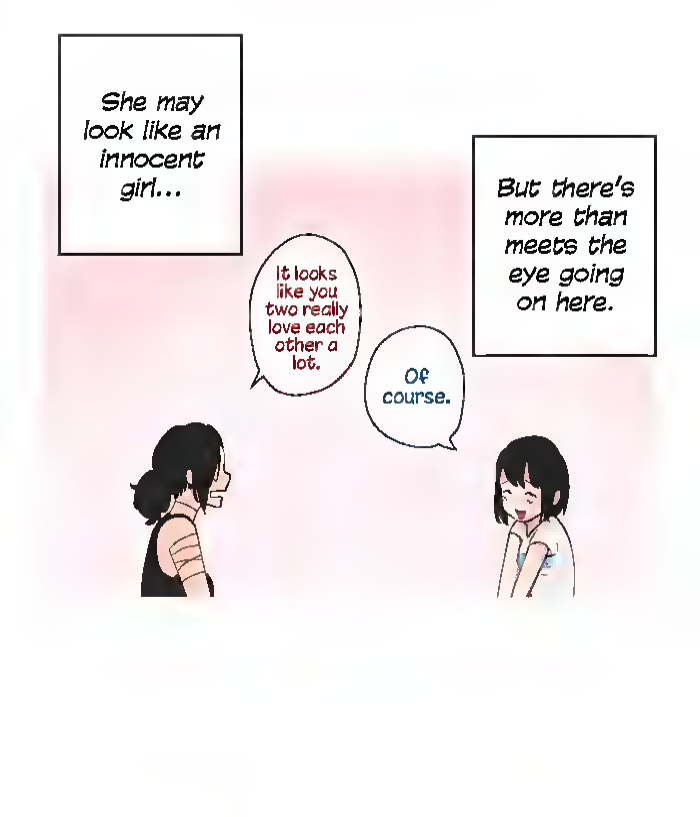
TL/N: "Thai Lakorn"/"Thai Drama" are similar to "Korean Drama"

Why?

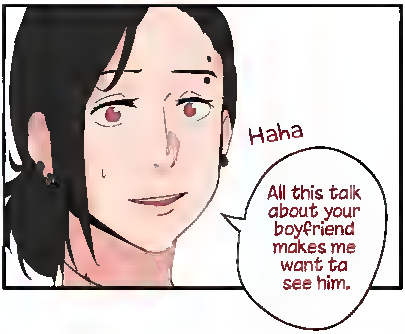
QC Yeah You go girl Yay



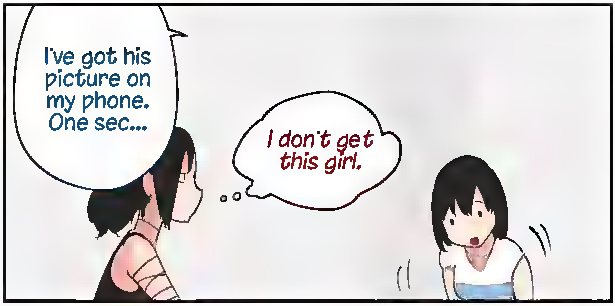
This girl...



She may look like an innocent girl...
But there's more than meets the eye going on here.
It looks like you two really love each other a lot.
Of course.



Haha
All this talk about your boyfriend makes me want ta see him.



I've got his picture on my phone. One sec...
I don't get this girl.

Here.

Woah.
He's quite handsome.
